

BUSINESS LISTENING SESSIONS

SUSTAINABLE PACKAGING

The City of Saint Paul is currently exploring ordinance changes that would limit the type of **packaging allowed for “To Go” food**. Similar to a current “Green to-go” ordinance in Minneapolis, food and beverages prepared for immediate consumption and to-go would be required to be placed in environmentally acceptable packaging.

LET YOUR VOICE BE HEARD

As part of the City of Saint Paul’s work on ordinance changes, we would like to ensure the voices of business owners and operators are heard and incorporated into decision making.

SESSION ONE:

Wednesday January 4th, 2017
10:00am-11:00am
Dayton’s Bluff East Side Enterprise Center, Room HQ1
804 MARGARET ST, ST PAUL, MN 55106

SESSION TWO:

Thursday January 5th, 2017
2:00pm-3:00pm
Rondo Community Center, Multipurpose Room
461 DALE ST N, ST PAUL, MN 55104

During each session, the City will present work that has occurred thus far and then open the floor for attendee questions, concerns, and comments.

SPANISH AND HMONG TRANSLATORS WILL BE AVAILABLE FOR BOTH SESSIONS.

www.minneapolismn.gov/GreenToGo

We use environmentally friendly food containers.
