

Neighborhood Honor Roll Submissions

Each year, you can nominate a neighbor who helps make Dayton's Bluff a better place to live, work and play! The Neighborhood Honor Roll is a citywide award to honor people who improve the quality of life in Saint Paul. Each year, the District 4 Community Council Board of Directors annually selects two awardees to be recognized at a citywide event. These awards typically go to members of our community who have made a sustained and lasting impact on our neighborhood and city.

Deadline for submissions is January 1, 2017.
